Harmonious Communities

Super:

Universal Design

VO:

'Universal Design' has been widely adopted
in both common areas and inside flats
providing barrier-free access to all people
and rendering an environment embracing "Ageing in Place"

Super:

Harmony and integration

VO:

The Housing Authority also encourages NGOs
and tenants' associations to invite their neighbours
of ethnic minorities to join activities
to help them integrate into the community
A host of activities are also organised on a regular basis
by housing estate offices in collaboration with NGOs and EMACs
to foster a harmonious community
