Notes to Applicants (include Owners and/or Owners' Representatives)

1. **It is important to note that the applicant for assessment of premium for flats within the 5-year alienation restriction period may only enter into agreement for sale and purchase (including provisional / formal agreement) after his / her offer to assign the flat to the HA is declined by the HA under this application. If the applicant enters into agreement for sale and purchase before his / her offer is declined by the HA, he / she will be in breach of paragraph 1 of the Schedule and section 27A of the Housing Ordinance (Cap. 283). The agreement for sale and purchase entered into by him / her will also be void. Any person who commits an offence under section 27A of the Housing Ordinance (Cap. 283) is liable to a fine of \$500,000 and to imprisonment of 1 year.**
2. HOS flats sold from 2007 onwards
The HA will decline all buyback offers for the above flats. Owners may choose to pay premium to the HA so that they can sell, let or otherwise alienate the flats in the open market. Alternatively, owners may sell the flats to eligible purchasers in the HOS Secondary Market from the third year onwards from the date of first assignment without payment of a premium to the HA.
3. TPS flats (within 3rd to 5th-year of the alienation restriction period)
Apart from selling their flats to the HA or in the HOS Secondary Market, owners of the above flats may choose to pay premium to the HA so that they can sell, let or otherwise alienate the flats in the open market.
