Let's Safeguard Public Housing Resources Together

Safeguard our home, say go go go!

Hand in hand, let's take a stand!

If you see abuse, say no no no!

You and me, let's take this on!

Public housing resources must be cherished.

How can you turn a blind eye to abuse?

Public housing is valuable; abusing it is outrageous.

Together we take a stand to make the city a better place.
