Title: You Can't Get Away

Super: The story of this video is based on true cases

Housing Protector: The views look identical! Do you really think you can escape?
You've emigrated, yet you still cling to this flat! Take action!

Housing Protector: Haha, you're definitely 'on my radar.' There's no way you can slip away!

Tenant: Hey, there's a special rate for new members!

Housing Protector: Wow, they have professional gym equipment and even massage beds - it's a full-service operation!

Colleague: We've investigated. This tenant has hidden ownership of a residential property and a shop outside of Hong Kong.

Housing Protector: Do you really think you wouldn't get caught? You're concealing overseas assets while using the public housing flat to run a gym for profit!

Housing Protector: You're violating both the Housing Ordinance and the public housing tenancy agreement. Get ready for jail and fines!
Let the Housing Department reclaim this flat for those who genuinely need it.
Let's work together to protect public housing resources.
