Super	Dr LAU Kin-kwan, Kenny, Chairman of the Board of Governors, The Prince Philip Dental Hospital Established in 1981 The only dental hospital in Hong Kong
Chairman	Hello everyone, I am Dr LAU Kin-kwan, Kenny, Chairman of the Board of Governors of The Prince Philip Dental Hospital. The Hospital was established in 1981 and is the only dental hospital in Hong Kong. It provides facilities for training undergraduate dental students from the HKU Faculty of Dentistry as well as other dental care professionals.
Super	Enroll patients for teaching purposes at nominal fees
Chairman	To match the needs of teaching, we enroll different types of patients for teaching purposes and only charging a nominal fee, and we hope more members of the public will come.
Super	Professor Cynthia YIU Kar-yung, Director of The Prince Philip Dental Hospital Provides emergency dental treatment
Director	I am Professor Cynthia YIU Kar-yung, the Director of The Prince Philip Dental Hospital. The Hospital's Oral Diagnosis Clinic provides emergency dental treatment to patients. The public may visit the Hospital for oral examination for assessing their suitability for teaching purposes and receive dental treatment as appropriate.
Super	Collaboration with the Government and non-governmental organizations Care for the oral health of the underprivileged communities
Director	What's more, we also actively recruit patients by working with the Government and different non-governmental organizations. Of course, we also care for the oral health needs of the underprivileged groups in the community. We reach out to the public and introduce the Hospital and our services to them.
