### **Title: What to do in case of fire**

Super: Stay calm, evaluate the risks

Super: Promptly decide whether to leave or stay in the flat to wait for rescue

Super: If you decide to leave the flat, remember to bring these three useful items when escaping: Mobile phone, Keys and Wet Towel

Super: Do not use the lift

Super: Use staircase that is free of smoke to escape

Super: If you are trapped or decide to stay in your flat

Super: Close the door and seal any gaps around it with duct tapes and wet towels

Super: Call "999" and inform Fire Services Department of where you are trapped

Super: Show the fire personnel your location by waving a towel at the balcony or by the window
