

## Housing Channel

### Title : Go Cashless

- Super                    Housing Channel
- Super                    iHousing  
Pay Rent  
Go Cashless!
- Super                    Dear, where are you going?
- VO                        I'm rushing to withdraw cash  
and get groceries  
I'm in a hurry, talk to you later!
- Super                    No need to withdraw cash  
Paying rent is really convenient nowadays.
- VO                        Estate Shroff Office support FPS
- Super                    All Estate Shroff Offices  
now support the Faster Payment System (FPS).  
Whether it's your intake deposit, rent, or repair charges etc.,  
you can pay instantly on your phone.  
No more cash needed!
- VO                        Use FPS to pay rent via iHousing App
- Super                    Besides, we can use the iHousing mobile App  
to pay rent anytime, anywhere — 24/7!
- VO                        1.     Select FPS
- Super                    2.     Enter the amount
- VO                        3.     Use designated bank app
- Super                    4.     Finish
- VO                        Select FPS,  
enter the amount,  
then complete the payment  
using your designated bank app on your phone.
- Super                    Payment platforms that support FPS QR code payments

Super                    You can also use Alipay HK,  
WeChatPay HK,  
Tap & Go  
or PayMe by HSBC.  
Just scan the QR code,  
no matter which platform, and the payment's done

VO                        Rent payment records of the past six months

Super                    Tenants can check their recent rent payment history  
in the iHousing app at any time.

VO                        Then you won't need to run back and forth anymore.

Super                    Great!  
You pay the rent and do the grocery.  
I'm off shopping! See you later.
