Title: Community Impressions – Entwined Hearts in Fuk Loi

Super Sau King

Sau King I moved into Fuk Loi Estate on 1 August 1964

I have been living here for 47 years

Where's Meng Yee?

I always hang out with Meng Yee

We've known each other ever since we were teenagers

Meng Yee We come here to chitchat everyday

We've known each other for at least 50 years

Sau King I got acquainted with her when I was 15

We were working at Nan Hai Cotton Mill then

Just like good sisters

Now we always join the local tours

We participate in most of the community activities

Meng Yee Well, I've got so many good neighbours around

Whenever I feel tired or lonely

or when there's not much to watch on TV

I simply go downstairs and chat with them

Sau King

I have never thought of moving

I'll spend the rest of my life here

Meng Yee

When I first moved in

I got nothing in my house

Not even a chair

I've built up this home of mine, all by myself

And now it lacks nothing

Ain't I the lucky one?

I'm luckier than I could have imagined!
