Title: Community Impressions – Feeling Groovy at Nga Ning

Mr Bu Our flat is facing the north

 Neighbours moving in at the same time said

 “You have to brave the northwesterly winds!”

 But I can enjoy a superb sea view, it’s fantastic!

Super Feeling Groovy at Nga Ning

 Mr Bu

Mr Bu I used to live with my Dad in Cheung Kwai Estate

 I moved out after I got married

 and rented a flat

 However, the landlord took back the flat for sale

 So I had to move again

 What could I do?

 I enquired with the Housing Department

 To our sweet surprise, we were offered a unit soon

 I’ve gone dragon boating with friends

 organising or joining in races

 Taking part in dragon boat races is most delightful

 It gives me a sense of accomplishment

Super Mrs Bu

Mrs Bu We took the keys on 28 May 2002

 and moved in on 28 June

 We all love the sea

 and often go fishing in the holidays

 My earlier life on the boat was very tough

It's easy to get seasick in the high winds

It's tough to live on a rocking boat

When she was 5 or 6 years old, she said

“Mum, when I have money, I'll buy you a flat”

Mr Bu We're content to lead a frugal life

Mrs Bu Indeed, our life is very simple

Mr Bu I like this lifestyle

Less complicated. Simpler
