Title: Green Living in Estate: Living

Super MC: Macy Chan
MC: Zao Kao

Macy Cans, waste paper, plastic bottles

Thanks, Zac

Zac Not at all

The Earth belongs to all of us

so we must all protect the environment

Macy Besides recycling waste

there are many other simple ways to go green

Zac Macy and I will tell you about some of them

Super Turn Off Power

Zac Before you go out, check you've turned off all the lights

and electrical appliances

Macy Appliances use energy even on standby mode

If it's not needed, turn it off at the power source

Super Use Grade 1 Energy Labels

Zac Buy appliances with Grade 1 Energy Labels

Macy Grade 1 fridges use 29% less power than Grade 5 fridges

Super Keep aircon set at 25.5°C

Zac Select the size of your aircon according to the size of your room

keep it set at 25.5 degrees

Don't forget to clean the dust filter regularly

Better to use electric fans instead of aircon

Super Use Energy Saving Bulbs

Macy Compact fluorescent bulbs use 75% less power than ordinary bulbs
Compact fluorescent bulbs save power and money

Super Reuse Water

Zac Water is a precious resource
so use it wisely

Macy After washing rice, use the water
to water plants or wash the dishes

Super Shower Instead of Bathing

Zac Showers use 80% less water than baths

Super Use Water Wise

Macy Turn off the tap while brushing your teeth or shaving

Super Take Your Own Bag

Zac Take your own bag when you go shopping

Super Choose Family-size Packs or Refills

Macy Also, choose family-size packs or refills
Just a few extra steps will help protect the Earth

Zac To preserve a healthy living environment
start living a green lifestyle today
