### **Title: Fight Tenancy Abuse (Subletting)**

Tenant                      My girl is studying abroad  
                                    Why not let her room out to earn some pocket money

Housing Protector        Don't even think about it!  
                                    The Housing Department will recover your public housing flat  
                                    Subletting your public housing flat  
                                    constitutes a breach of the Tenancy Agreement

Super                         Subletting public housing flats  
                                    breaches the Tenancy Agreement

Housing Protector        We will not tolerate!
