Title: Together, We Fight the Virus. Housing Authority Anti-epidemic Measures

Super: To prevent the spread of Coronavirus Disease, the Housing Authority has implemented anti-epidemic measures in public housing estates

Temperature check for all staff and visitors before entering the estate office

Recreational facilities are temporarily closed

Frontline staff strengthen the cleaning and disinfection work in common areas of housing estates in accordance with working guidelines

Increase the frequency of cleaning of the ground lobby, and disinfection of push buttons and button panels of lifts in buildings

Strengthen publicity of anti-epidemic

1:99 diluted bleach is used to clean button panels regularly

Regular cleaning of entrance gates

Disinfected floor mats are placed at the lobby of each residential block

1:49 diluted bleach is used to sterilise floor mats regularly

Alcohol-based hand-rubs are provided

Example case
Strengthened enforcement actions under the Marking Scheme for Estate Management Enforcement and the relevant legislation

Execution of the Marking Scheme against misdeeds and offences relating to hygiene

Together, We Fight the Virus
Minimise the Risk of Infection
