| Madam Wan | I used to live in Ping Tin Estate My children left one after another after marriage I was left alone I do not need so much space |
| Madam Wan's Daughter | Mother, you are happy about moving into this new flat, aren't you? |
| Madam Wan | Right |
| Madam Wan | My son and his family live in Lam Tin Estate So I also chose to move to Lam Tin Estate to stay closer to him For easy contact with him And likewise for him He can come immediately if anything happens to me unlike living in other estates It's even faster than taking taxi The flat is smaller but smaller is also better I can do less housework This estate is relatively new The gardens are beautiful and clean |

I can take fresh breath in the morning
The environment is also very good
I can do exercise in the garden
It's comfortable to live here

Madam Wan's Daughter Lam Tin Estate is well-managed
Caretakers are very polite and friendly

Madam Wan I have been living in this neighbourhood for few decades
I like this neighbourhood very much
Here we have strong human touch

Madam Wan's Daughter Returning my mother's previous flat
