Title: Public housing is for people in genuine need

Super: Public housing is for people in genuine need

Uncle Chan (Ken's father): Thanks, Po.
You've always been a good boy

Po: You're welcome, Uncle Chan
Congrats on moving into your new flat

Po: Do come back any time for a game

Ken: Sure
I have started to miss this place already
Since we are better-off now
we decided to return the public housing flat for the needy
who are still waiting

Ken: I finally have my own desk after moving into this public
housing flat

Po: You used to hang out with us
and help with our homework

Ken: You'll soon be a fresh graduate
remember to find a job that will let you help people

Po: I will!

Housing Abuser: No way will I return the public housing flat to the Housing
Department!

Housing Protector: Gotcha!

It's very selfish of you to keep the flat while you no longer live in it

Housing Protector: you also concealed assets and falsely declared your income
You're looking at a fine, and even prison time!

Housing Abuser: Oh no!

Housing Protector: Let's protect public housing resources together
report any suspected tenancy abuse case immediately!
