

Section Title:

Subsidy for Home Ownership

Super:

Home Ownership Scheme

VO:

Since 1978, with the Home Ownership Scheme (or HOS) and various subsidised housing programmes the Housing Authority has been helping low- to middle-income families to buy their own homes
To date, over 460,000 subsidised housing flats have been sold

Super:

For 10 years starting 2019/20
Target supply of subsidised homes for sale: 95,000 units

VO:

It is an integral part of the Government's housing policy to build subsidised housing for sale and boost the turnover of PRH flats

Super:

Green Form Subsidised Home Ownership Scheme

VO:

Apart from the HOS, in January 2018 the Housing Authority also made the Green Form Subsidised Home Ownership Scheme a regular feature
This helps tenants and eligible PRH applicants buy their homes and release more flats for waiting families
