

## List of Building Products requiring Product Certification (as at 30 Jun 2021)

The building products<sup>(1)</sup> requiring product certification in HA's building (new works) contracts and corresponding certification scheme adopted are :

Building Products	Product Conformity Certification Schemes (PCCS)
1. Timber Doorsets (fire rated doors)	Product Conformity Certification Scheme for Passive Fire Protection Products (PCCS-PFPP) <sup>(2)</sup>
2. Panel Wall for Partitions	Product Conformity Certification Scheme for Passive Fire Protection Products (PCCS-PFPP) <sup>(2)</sup>
3. Cement Products (for architectural uses)	Product Conformity Certification Scheme for Cement Products (PCCS-CP) <sup>(3)</sup>
4. Tile Adhesives	Product Conformity Certification Scheme for Tile Adhesives (PCCS-TA) <sup>(3)</sup>
5. Ceramic Tiles (floor tiles and wall tiles)	Product Conformity Certification Scheme for Ceramic Tiles (PCCS-CT) <sup>(3)</sup>
6. Repair Mortars	Product Conformity Certification Scheme for Repair Mortars (PCCS-RM) <sup>(3)</sup>
7. Aluminium Windows	Product Conformity Certification Scheme for Aluminium Windows (PCCS-AW) <sup>(2)</sup>
8. uPVC Drainage Pipes and Fittings	Product Conformity Certification Scheme for uPVC Pipes and Fittings for Foul Water Drainage Above Ground (PCCS-UP) <sup>(4)</sup>
9. Close-coupled Water Closet Suites	Product Conformity Certification Scheme for Close-coupled Water Closet Suites with 6 Litre Flushing Capacity (PCCS-WC) <sup>(4)</sup>
10. Fabric / Mesh Reinforcement	Product Conformity Certification Scheme for Mesh Reinforcement (PCCS-MR) <sup>(3)</sup>
11. Multi-Layer Acrylic Paints <sup>(5)</sup>	Product Conformity Certification Scheme for Paint Products (PCCS-PP) <sup>(6)</sup>

### Notes :

- (1) Building products used in construction of domestic blocks only.
- (2) PCCS published by the Hong Kong Institute of Steel Construction.
- (3) PCCS published by the Hong Kong Concrete Institute.
- (4) PCCS published by the Hong Kong Institution of Plumbing and Drainage Limited.
- (5) Applicable to tenders issued on or after 1 September 2017.
- (6) PCCS published by the Hong Kong Association for Testing, Inspection and Certification Limited.

For enquiries on implementation of product certification for building products in HA's building (new works) contracts, please contact Components & Materials Team at 2761 6186 or 2761 5800.
