Note 1: For those who hold a BRC continuously for less than 12 calendar months, the average monthly net profit and/or salary during the
corresponding period of continuous self-employment before the date of signing the Application Form/declaration form(s) will be taken.

Note 2: Expenditure includes declarant's monthly basis salary (if appropriate).

Note 3: The average monthly net profit/loss should be calculated by adding up the Company's net profit/loss for the period of holding a BRC
continuously before the date of signing the Application Form/declaration form(s) and divided the total amount by the corresponding
months or days of business undertakings.

Note 4: The average monthly income should be calculated by adding up the salary drawn for the period of holding a BRC continuously before
the date of signing the Application Form/declaration form(s) and divided the total amount by the corresponding months or days of
business undertakings.
