**Remarks : This application is subject to approval of the Housing Department. The Housing Department may require the applicant to submit other relevant supporting documents and undertakings.**

Note 1 : The relationship between the Applicant and family members, and between family members must be either husband and wife, parent and child, grandparent and grandchild. The Applicant may apply with his/her single sibling(s). A single sibling means that the sibling has never undergone any formal or customary marriage formalities, divorced or widowed. If the single sibling gets married after registration of PRH application, he/she must delete his/her name from the PRH application as soon as possible despite his or her spouse has not been granted the right to land in Hong Kong. For applicant who applies with his/her child(ren)/grandchild(ren), only one of his/her married children/grandchildren together with the child/grandchild's nuclear family can be included in the application. Other children/grandchildren in the application must be single.

Note 2 : Starting from 1 April 2017, for registered applications by ordinary families, if all members included in the application are currently living in PRH (including rental estate units under the HKHS, irrespective of whether they are from the same PRH tenancy or living in different units), the application will be frozen for one year and given a G-number Equivalent Date. During that period, the HD will withhold the processing of the PRH application concerned. Once an application is frozen, the frozen period imposed will not be cancelled or adjusted on account of any subsequent addition / deletion of family member(s) or deletion of household member(s) from the PRH tenancy. Even if an application needs not to be frozen on the registration date, in case the application subsequently meets the criteria for freezing due to addition / deletion of family member(s) or addition of household member(s) to PRH tenancy, the application concerned will still have to be frozen for one year. Applications registered prior to the implementation of the frozen period arrangement will not be affected by this measure. Applications under the Single Elderly Persons Priority Scheme, Elderly Persons Priority Scheme and Harmonious Families Priority Scheme received on or before 1 October 2019 will be exempted, whereas those received on or after 2 October 2019 will not be exempted from the above arrangement.

Some family applications may be switched to applications by Non-elderly One-person Applicants due to deletion of family members. In that case, the applications concerned will immediately be included in the QPS whereby points will be calculated based on the Applicants' age at the registration date / G-number Equivalent Date (if any) of the applications. The Applicant's waiting time originally accumulated under his/her application by ordinary families will be carried in full to the applications by Non-elderly One-person Applicants. Where necessary, a Non-elderly One-person Applicant under the QPS may apply for addition of family member(s) and the application will be switched to a family application without the need for a new registration and continue to use the previous application number. Half of the waiting time of the Non-elderly One-person Applicant will be credited to his/her family application up to a maximum of 18 months. After adjustment of the waiting time, his/her application will be given a registration date equivalent to that of a general application (i.e. a G-number Equivalent Date). Please refer to Section 2.7 of "Application Guide for Public Rental Housing" for details.
