

Curriculum Vitae

Mr. SO Yau Chi

Following his graduation from the Hong Kong Technical College in 1963, Mr So moved to Britain to gain his professional experience. During the 15 years in Britain, he had worked in various aspects of construction in both consulting and contracting. Returning to Hong Kong in 1978, he joined the Housing Department as a structural engineer and eventually involved in the majority of different functional arms of the construction works. He had good experience in both new constructions and maintenance works. Mr So joined the Yau Lee Construction Company Ltd in 1994 as the General Manager and was made a Director in 1996. He is responsible for the overall management of the Company and had been closely involved with the development and implementation of all innovative construction technique. He had been very active in the promotion of the learned society and qualification matters of the civil and structural engineering. He was the vice president of the Hong Kong Institution of Engineers in 1994/95. He is a Fellow of the Institution of Structural Engineers and corporate member of the Institution of Civil Engineers and Hong Kong Institution of Engineers.
