

Safety & Health Alert No. 45 / 2016 Prevention of Zika Virus Infection and Anti-mosquito Measures in Construction Sites - Labour Department

Date : 13 October 2016
Our Ref. : HD(C)TS 4/49/26

This serves to draw your attention to the captioned advice as mentioned in the attached letter issued by Labour Department (LD) on 14 September 2016.

As water may easily accumulate in construction sites and serves as mosquito breeding grounds, LD urged the cooperation and support from construction industry in preventing the spread of Zika virus infection to safeguard the occupational health of construction workers.

If you have any enquiries, please contact the Labour Department on 2852 4041, or email: enquiry@labour.gov.hk.
