Construction Safety Week 2018 Safety training Video – Construction Industry Council

Date : 8 August 2018
Our Ref. : HD(C)TS 4/49/26

Construction Safety Week (CSW) 2018, jointly organised by the Development Bureau and the Construction Industry Council (CIC), was successfully concluded in May. The Safety Video Competition 2018 was a newly added activity in CSW 2018. Through video sharing, industry stakeholders are reminded of the importance of safety practices, and to join hands to promote good safety measures in the construction industry.

CIC received almost 100 video entries and attracted more than 5,700 votes for the “Most Popular Safety Video Award”. 72 shortlisted and awarded videos are uploaded onto the CSW webpage (<https://www.safetyweek.hk/web/subpage.php?lang=en&mid=136>) under 7 categories:

Specific Works Items

- (1) Working at Height
- (2) Lifting and Plant Operation
- (3) Confined Space Works
- (4) Electrical Installations Works
- (5) Lift Shaft works
- (6) Repair, Maintenance, Alterations and Additions Works

General Safety Items

- (7) Construction Safety Related Innovative Video

You are welcome to make use of the uploaded videos for safety training if applicable.
