

Safety & Health Alert No. 06/2020 Systemic Safety Alert from Labour Department – Work at height

Date : 11 March 2020

Our Ref. : HD(C)TS 4/49/26

In view of recent occurrence of accidents involving fall-from-height that happened in workplaces, this serves as a reminder about the importance of the captioned Systemic Safety Alert published by Labour Department (LD) in 2014.

The alert can also be downloaded through the link below:
