

Safety & Health Alert No. 19/2020

Infection Control Branch of the Centre for Health Protection - Guidelines on MINIMAL Personal Protective Equipment (PPE) Requirements (Interim) [Revision: 26 March 2020 (version 3)]

Date : 20 April 2020
Our Ref. : HD(C)TS 4/49/26

To provide safety protection to patient, healthcare workers and other related workforce, the Infection Control Branch of the Centre for Health Protection has updated the “Guidelines on MINIMAL Personal Protective Equipment (PPE) Requirements for Severe Respiratory Disease associated with a Novel Infectious Agent (Interim)” (see attachment) to ensure stakeholders could get prepared and stockpile necessary PPE for different scenarios based on the risk assessment.
