

Safety & Health Alert No. 2/2021

Pointing and Calling practice on New Works sites

Date : 22 Jan 2021
Ref. : HD(C)TS 4/49/26

Many contractors have been practising pointing and calling on sites. The slogans of pointing and calling being practised on new works sites are collected and hereby disseminated to share and promote the practice among stakeholders so as to concentrate workers' attention and minimize hazards of human mistakes for enhancing site safety performance.

Please consider to practise pointing and calling to improve safety performance of high risk activities and examine opportunity to enhance your current pointing and calling slogans.
