

Safety & Health Alert No. 33 / 2021

Practicing Chemical Safety Keeps You Well

Animation Series & Chemical Safety for Daily Life

Pamphlets – OSHC

Date : 13 May 2021
Our Ref. : HD(C)TS 4/49/26

The Chemical Safety and Health Advisory Committee of OSHC has produced a series of short animations titled "Practicing Chemical Safety Keeps You Well", highlighting the safety tips when handling chemicals. The animations, which feature on five different workplace scenarios, are now available on the Council's YouTube Channel, etc., so that you can share it.

RMAA : https://www.youtube.com/watch?v=XQ76_TQyVK8

Cleaning Service : <https://www.youtube.com/watch?v=2qxFBeqcs8U>

Arboriculture : <https://www.youtube.com/watch?v=Oy9IOWAXqGQ>

Logistics : <https://www.youtube.com/watch?v=DoovSLLKh-4>

Laboratory : <https://www.youtube.com/watch?v=eDOzHC6tRwA>

The committee has also compiled a series of pamphlets on " Chemical Safety for Daily Life ", the themes are:

Chemical Safety for RMAA Works:
<https://bit.ly/32cWk3G> (Chinese version only).

Chemical Safety in Environmental Hygiene Works:
<https://bit.ly/2UrqfBW> (Chinese version only).

Chemical Safety for Daily Life:
<https://bit.ly/3u1QVtu> (Chinese version only).

The three pamphlets have been uploaded to the website of the Occupational Safety and Health Council. Welcome to download and share with work partners to popularize chemical safety knowledge and strengthen user safety.

If you have any enquiry, please contact Occupational Safety and Health Council (tel: 2739 9377, or email: enquiry@oshc.org.hk).
