

**Safety & Health Alert No. 57/2021**  
**Safety Message from Construction Industry**  
**Council –**  
**A worker was trapped under a collapsed bamboo**  
**scaffold (October 2021)**

Date: 11 November 2021  
Our Ref. : HD(C)TS 4/49/26

This serves to draw your attention to the captioned Safety Message issued by Construction Industry Council (CIC).

An accident happened on 8 October 2021 at a building renovation site in Happy Valley in which a worker was trapped under a collapsed bamboo scaffold and was certified dead in the hospital.

When a tropical cyclone approaches Hong Kong, the project in-charge of each construction site must pay particular attention to the safety of the site, especially the structure and conditions of scaffolds, gondola and lifting appliances (tower crane) and mobile cranes.

If you have any enquiries, please contact the Construction Industry Council on 2100 9000, or email: [enquiry@cic.hk](mailto:enquiry@cic.hk)
