

Safety & Health Alert No. 22 / 2023

Safety first during working at height

– OSHC

Date : 11 May 2023
Our Ref. : HD(C)TS 4/49/26

The Construction Industry Safety and Health Committee of the Occupational Safety and Health Council has published a new issue of its information pack to remind workers of the importance of working safety at height. You are welcome to print and post it in your workplace and forward it to industry organisations. Links to this issue's leaflets: <https://bit.ly/423UDDA> (Chinese version only)
