

Safety & Health Circular No. 06/2009

Construction Industry Council - Guidelines on Site Safety Measures for Working in Hot Weather

Date: 7 May 2009

Our Ref. : HD(C)TS 4/49/26

The Chairman of the Construction Site Safety Committee of the Construction Industry Council (CIC) has issued *Guidelines on Site Safety Measures for Working in Hot Weather*. These provide guidance to contractors on measures that may be taken to protect site personnel working under hot weather and can be downloaded at [http://www.hkcic.org/files/eng/documents/Publications/Working in hot weather.pdf](http://www.hkcic.org/files/eng/documents/Publications/Working%20in%20hot%20weather.pdf).

If you have any enquiries, please contact the CIC Secretariat on 3571 8716, or email: enquiry@hkcic.org
