

## **Safety & Health Circular No. 15/2010**

### **Guidelines on Safety of Lift Shaft Works**

#### **(Volume 1)**

Date: 25 August 2010

Our Ref. : HD(C)TS 4/49/26

The *Guidelines on Safety of Lift Shaft Works (Volume 1)—During Construction Stage and Before Handing Over to Lift Installation Contractor* issued in July 2010 by the Construction Industry Council (CIC) aim to promote safe practices in lift-shaft works during construction and prior to handing over to lift installation contractors.

The Guidelines can be downloaded at:
