

## **Safety & Health Circular No. 40 / 2015**

### **Promotion of Construction Safety App & Mega Posters**

Date: 14 July 2015  
Our Ref. : HD(C)TS 4/49/26

This serves to draw your attention to the rolling out of the initiatives of the Construction Safety App and mega posters by the Development Bureau (DEVB) during the Construction Safety Week (CSW) 2015.

To further promote them within the construction industry, please print the attached leaflet (in A3 size preferably) or mega posters in size up to 6m x 4m and post within your offices / sites. The artworks for production of the mega posters can be downloaded through the link below:

The healthy lifestyle messages in the leaflet (in four different themes) are indeed consolidation of the mega posters under CSW 2015 and your workers can download the Construction Safety App using the QR codes embedded in. Please erect those mega posters and/or leaflet at prominent locations on site so as to effectively remind your workers to maintain healthy lifestyle in turn to enhance their safety performance. If mega posters are to be erected, consideration may be given to rotate / change the posters from time to time so as to make the workers' mind afresh of this initiative. Please also provide photos indicating the post erection condition for DEVB's information.
