Foreword

「攜手共建安全文化－工程和物業管理工地安全研討會2008」由香港房屋委員會(簡稱房委會)及職業安全健康局(簡稱職安局)合辦,旨在為工程及物業管理界提供一個經驗交流的平台,透過互動的討論和成功經驗的分享,增加業界對職業安全及健康的認知。活動分為兩部份,分別以「鞏固工地安全文化:人員管理」及「安健屋邨計劃」為主題,邀請了來自建造工程、維修及保養工程,以及物業管理界的承辦商參與。是次研討會,除簡介房委會及職安局在「安全氣候指數調查」及「安健屋邨」兩方面的研究及工作外,亦特別加入了「CEO 論壇」的環節,希望藉着各承辦商管理人員間的互動討論,帶出他們對於「新工程安全文化」、「維修保養工程安全文化」及「安健屋邨」等範疇的寶貴經驗及願景。大會亦邀請了兩家在物業管理方面獲得卓越成績的公司於下午環節分享他們的成功秘訣,提供更多的實際案例予與會者參考。

要成功地建立一個安全的工作文化及制度,業界並肩攜手合作是十分重要的。繼去年業界代表在會上共同簽署工程和物業管理安全約章後,是次研討會亦獲得工程、維修及物業管理界別相關的政府部門及機構的鼎力支持。希望在各方的共同努力下,大家一起揭開新的一頁,共建更完善的安全文化。

Partnering for a Safety Culture — Site Safety Forum 2008 for Works Contracts and Property Services Contracts, jointly organised by the Hong Kong Housing Authority (HA) and the Occupational Safety and Health Council (OSHC), aims at providing a platform for experience sharing among the works and property management industries through interactive discussions and sharing of successful experience to raise the awareness of occupational safety and health in the industries. The forum comprises two sessions, carrying the themes of "Reinforcing the Site Safety Culture — Personnel Management" and "Safe and Healthy Estate Accreditation Scheme" respectively. Contractors and service providers in the construction works, maintenance works and property management industries are invited to take part. Apart from briefing the participants on the HA's and the OSHC's initiative on "Safety Climate Index Survey" and "Safe and Healthy Estates", the forum also features "CEO Platform" sessions to facilitate interactive discussions among the management personnel of contractors and service providers for exchange of valuable experience and vision in fostering a safety culture for new works, maintenance works and estate management. Management companies with outstanding performance from the related business sector have also been invited to share the key to their success in the afternoon session.

Partnership is the key success factor to the building of a robust safety work culture and system. Following the signing of the Works and Property Services Contracts Safety Charter in the forum last year, we are most pleased to launch the Site Safety Forum 2008 with the support of government departments and organisations from the construction works, maintenance and property management sectors. With the concerted efforts of industries stakeholders, we would take pride in striving for a new chapter in the industry's safety culture.
