A low-angle photograph of a construction worker on a steel beam. The worker is wearing a hard hat and safety harness, and is positioned in the lower-left quadrant of the frame. The background is a complex network of steel beams forming a skeletal structure, set against a sky with a gradient from blue to orange, suggesting a sunset or sunrise. The overall tone is dramatic and emphasizes the scale and height of the construction work.

The background image shows two construction workers wearing yellow hard hats and dark safety jackets with reflective stripes. They are working on a metal structure, possibly a scaffolding or part of a building's framework. The scene is dimly lit, with a blueish-purple tint, suggesting an indoor or shaded construction site.
