

## **f Transcription: English subtitles**

Here is the footage from "Site Safety Seminar for Capital Works New Works Contracts" organised by the Hong Kong Housing Authority on 30 April 2015. This is the 1st Q&A session.

The speakers, from left to right, were

Mr Jack Fong, Senior Consultant of the Occupational Safety & Health Council (OSHC)

Mr Henry Cheung, Senior Consultant of the Occupational Safety & Health Council (OSHC)

and Mr Timothy Chee-tim Lau, Senior Manager (Safety and Health) of the Housing Department

M.C :

Now, in this seminar

we'll talk about the Housing Authority Occupational Injury & Disease Surveillance System (HAOIDSS)

In fact, we have engaged in it for a period of time

The Hong Kong Construction Association and the colleagues of the Hong Kong Housing Authority

had provided their opinions

Most of the contractors present today also participated actively Currently, the data are provided by the hard copy of form of 787 we hope we can conduct a trial test in the 2 nd half of this year

Besides the colleagues of the Housing Department Headquarters and OSHC the contractors will also be invited to conduct the trial test later

of course, our site staff will be also invited to carry out the test If you have any opinion

please feel free to raise out now

otherwise, the time will be lengthened if changes are made later then the launching time of the system will be postponed.

Actually, it is a kind of software facilitating you to input the data

Part of data can be copied to Form 2

for your submission to the Labour Department
