

Here is the footage of
Site Safety Seminar for Capital Works New Works Contracts
of Housing Authority which was held on 30 October 2017
The speaker is
Assistant Director of Housing (Development & Procurement)
Mr. M. W. WONG
He is now delivering the opening speech

(00:24)
Good afternoon to all my fellow friends
guests and colleagues
Welcome you all to today's
Site Safety Seminar for Capital Works New Works Contracts
Thanks to the participating organizations
including the Labour Department
the Occupational Safety and Health Council (OSHC)
the colleagues who will give us a talk
and all the participants of seminar today
Thank you for your support
The content of seminar today is very fruitful

The seminar is divided into six parts
The OSHC will be responsible
for the first 2 parts of the seminar
Mr. Jack Fong will explain
the Housing Authority Safety Auditing System (HASAS)
in the 2nd and 3rd quarters of 2017
and the Audit Findings of the
Housing Authority Lift and Escalator Nominated
Sub-contracts Safety Auditing System (HALENSAS)
Then, senior architect Ms. Polly Young will share
her experience on the Benchmarking Study
on Infrastructure Construction Safety in Japan

I believe that we can bring new ideas to our local industry and let everyone improve together

We invited Mr. Li Wai Kei
Divisional Occupational Safety Officer
of the Labour Department
to share on the safety matters of site accidents and dangerous occurrence

After that, Mr. Henry Cheung
senior consultant of the OSHC
will present the results of
Surprise Safety Inspection Programme (SSIP)
in the 2nd and 3rd quarters of 2017
and share good work practice on site
so as to minimize site safety risks

Then Mr. Henry Cheung will brief us
on the latest development of the
Occupational Injury and Disease Surveillance System (OIDSS)

This online OIDSS
has been implemented in the Housing Authority
for more than one year
in the New Works Contracts

I believe you are quite familiar with this system
I hope the OIDSS
would allow better and more convenient monitoring

In addition, architect, Ms. Mok Wai Ming who was elected
as the Construction Industry Ambassador two years ago
to enhance the professional image of the practitioners
in the construction industry

She will finish her two-year term soon
Ms. Mok will share her experience on the Ambassador
in the last session

The seminar today will be recorded
and uploaded to the Housing Authority Site Safety Website
Practitioners who are unable to attend
the seminar today can watch the videos

of this seminar on the website at any time
I hope that after the seminar today
when everyone returns to work
you will share the messages of the seminar today
with your colleagues
to promote safe work on the site together
Thank you everyone

Thank you for watching
