About VTM

Led by Experts

VTM was founded in 2016 by a group of visionaries and led by the Chairman of Hong Kong Extended Reality Association, Mr. Dao Moon Fun as our CEO and the Co-founder of Hong Kong Digital Entertainment Association, Mr. Dao Mun Chi, MH as our CTO.

Another Level of Learning

VTM's vision is to design cutting edge XR training systems to revolutionize the current approach to learning and training as well as to advocate higher-order thinking.

XR Training System

VTM's mission is to accelerate the XR training into an indispensable way of training with higher effectiveness and efficiency than existing methods.
