升降機 設置在各住宅大樓	 A photograph showing the entrance to an elevator in a residential building lobby. The elevator doors are closed and metallic. To the right of the doors, there is a wall with a checkered tile pattern and several colorful notices or posters. A small white fan is mounted on the wall above the notices. The floor is made of light-colored tiles.
觸覺點字 設置在電梯和樓梯	  Two photographs showing tactile features. The left photograph shows a square metallic button with a tactile symbol (a stylized 'V' shape) and Braille characters, mounted on a wall with grey and white speckled tiles. The right photograph shows a close-up of a handrail with a tactile arrow pointing upwards and Braille characters, set against a background of red and yellow tiles.
