觸覺引路帶和斜道 連接住宅大樓，停車場和福利設施	 The photographs show the entrance area of the Rose Garden Mutual Aid Committee building. The top-left photo shows a set of double glass doors with a tactile paving path leading to them. The top-right photo shows a ramp with metal handrails and tactile paving. The bottom photo shows a wider view of the entrance area with tactile paving and a ramp.
可供坐輪椅人士使用的保安櫃檯 設置在各住宅大樓地下大堂	 The photograph shows a security counter in a residential building's ground floor lobby. A staff member wearing a face mask is behind the counter. There are several potted plants, including red and yellow chrysanthemums, in front of the counter. A sign on the wall reads '地面濕滑 敬請小心' (Slippery floor, please be careful).
升降機 設置在各住宅大樓及升降機塔	 The photographs show the entrances of elevators in a residential building. The left photo shows an elevator entrance with tactile paving on the floor. The right photo shows another elevator entrance with tactile paving and a large notice board on the wall.
