| <p>觸覺引路帶和斜道</p> <p>連接有蓋行人通道，住宅大樓，購物中心，停車場和福利設施</p> |  A photograph showing a covered pedestrian walkway. The ground is paved with red bricks, and a yellow tactile paving strip runs along the path. The walkway is supported by blue metal pillars. Colorful lanterns are hanging from the ceiling of the walkway. In the background, there are residential buildings and a parking area. |
| <p>可供坐輪椅人士使用的保安櫃檯</p> <p>設置在各住宅大樓地下大堂</p>          |  A photograph of a security booth located in a building's underground lobby. The booth has a white counter with a red diamond-shaped sign on the front. A yellow caution sign is on the floor to the left. The background shows a tiled wall and a fire extinguisher.                                                                |
