觸覺引路帶和斜道 連接有蓋行人通道	 The first photograph on the left shows a close-up of a tactile paving strip (yellow and blue bricks) on a ramp leading up to a covered walkway. The second photograph on the right shows a long, straight section of the covered walkway with tactile paving strips running along the edge of the path. The walkway is supported by wooden pillars and has a red brick floor.
可供坐輪椅人士使用的保安櫃檯 設置在各住宅大樓地下大堂	 The photograph shows a security counter in a residential building lobby. The counter is a light-colored wooden desk with a computer monitor and keyboard on it. A red fire extinguisher is visible on the floor next to the counter. The floor is made of red and white checkered tiles.
